PROUDLY SPONSORED BY:

This week we had a team of 24 Year 5-8 students attend the Rakahuri Athletic Sports. We had some wonderful results but these are not yet published so we cannot confirm who will be going through to the Canterbury Athletics at the end of November. We are extremely proud of how all the students participated and represented themselves while down at Ashgrove Park.

A Spotlight on Attendance

As I have mentioned previously the Ministry of Education has tasked schools with increasing attendance rates. The goal is to have attendance across the school at more than 90%. I am sharing Term 4 data with you so you can see that we have a way to go to ensure we are meeting this target.

Student Categories	Student with	Equivalent to
Regular attendance	over 90% attendance	missing fewer than 5 days across a term
Irregular absence	more than 80% and up to 90% attendance	absent for between 5 and 9 days across a term
Moderate absence	more than 70% and up to 80% attendance	absent for between 10 and 14.5 days across a term
Chronic absence	70% attendance or less	absent for 15 days or more across a school term
