A GREAT DAY STARTS WITH THE RIGHT START

A calm start and finish to the day helps all tamariki feel settled, connected and ready to learn.

MORNING DROP OFF

BEFORE 8.30AM WE ARE NOT OPEN

There is no staff supervision before 8.30am.
Please do not drop your child off before this time.

IDEAL DROP OFF TIME 8.45AM

Arriving around 8.45am allows your child time to settle, say goodbye and start the day calmly.
Settle. Connect. Be Ready.

ARRIVING AT THE BELL IS NOT IDEAL

Arriving at the bell can be rushed and stressful for children and staff. It can also mean missing important start of day routines.

Thank you for helping us create a calm and settled start to the day. *Together, we help every child reach their potential.*

NB: for this price we pay for the printing - all you need to do is supply the graphics.

Please make sure you are ringing any absences in. This method is more effective than eMail as if Tanya is away no one can access her eMails and so you will then get a phone call. We have a voicemail option for absence that means it is easier for Linda to check.

Can you also make sure you are taking the time to let us know when your child is absent as some days it can take up to half an hour to ring to find out why children are not at school.

Smart watches, and also any device that can play games, even if not connected to the internet are not permitted at school.

As with phones these will need to be handed in at the start of the day if your child is wearing them. The safer option would be to leave them at home.

Behaviour

As part of our REACH values programme, we spend a lot of time teaching children what respectful, safe and positive behaviour looks like at school. Our students are very good at telling us the right thing to do – however, we are not always seeing these choices consistently in the playground and classroom.

Recently, we have noticed an increase in children speaking disrespectfully to adults and difficulties with keeping hands and bodies to themselves during play and learning times.

We would really appreciate your support by having a conversation with your child about:

- speaking respectfully to all adults at school
- following adult instructions the first time
- using kind words and actions
- keeping hands, feet and objects to themselves

Working together between home and school helps us create a calm, safe and respectful environment where everyone can learn and thrive.

Thank you for your ongoing support.
